

# How to Apply

## The Admissions Procedure

1. Complete application form and return with supporting documentation, below:
  - Copy of passport and previous UK visa(s)
  - Copy of any English language qualifications
  - Copies of previous school qualifications/reports/transcripts
2. Attend an interview with a senior member of MPW staff and sit an entrance test if required. During the interview we will offer expert and honest advice on programme/subject selection and making a competitive university application. A student may be required to sit an English or Maths test depending on their qualifications and the course they are applying for. An interview may take place at MPW, in-country when we are visiting your region or via Skype.
3. Receive a decision on the application (usually within one week).

### If a place has been offered:

4. Complete and return registration form, consent form and registration fee (£350) to guarantee place.
5. Pay a deposit (to be refunded in the last term of study).

6. If the student requires a visa, a Confirmation of Acceptance for Studies (CAS) will be issued once the deposit has been received (we are not able to issue a CAS more than six months before the course start date).

Please send all applications to your interviewer or [international@mpw.ac.uk](mailto:international@mpw.ac.uk)

## Visas and Immigration

If you require a visa to study in the UK, please ensure you provide all of the requested documents with your application so they can be assessed by the International Admissions Officer. If anything is missing, we will contact you to request the information.

In order to ensure you have the best support in your home country when it comes to completing a visa application, we strongly recommend that you have an agent, consultant or solicitor that can help you. If you don't have someone to help you through the process and check you have the correct documents, please speak to your interviewer.

If you have any questions, please ask your interviewer to direct you to the International Admissions Officer who can give you advice on student immigration to the UK. For the most up to date information, please visit the UK Visas and Immigration website.

“A highly significant factor in the students' progress is their excellent attitude to work, to their tutors and to the college.”
