“

I had an incredible experience at Berlitz | ELA. Studying abroad had always been a dream of mine, and Malta provided me with the best experience I could have ever imagined. The school's staff was always there to support me, making sure I had everything I needed. Their unique teaching methodology allowed me to communicate in English easier and quickly. I chose to stay in the school accommodation, as it was easier for me since I traveled alone to Malta. I had a fantastic time there, too. It's super close to the school and the apartment was excellent. I am grateful for the opportunity to study with Berlitz | ELA.

The balance of the amount paid will be refunded upon receipt of the visa rejection letter.

POSTPONEMENTS

In cases where due to no fault of the student a postponement becomes necessary the Centre will assist, subject to availability, to provide alternative dates. In the cases where accommodation and other third-party expenses have been committed the student will have to pay for such costs. The Centre may charge the student reasonable administrative costs for postponements.

CHANGES TO BOOKING

The Centre reserves the right to change any part of a student's booking due to circumstances beyond the Centre's control. Changes may include (but are not limited to) moving classrooms, changing teachers, changing course type, and accommodation changes. In such cases no refunds will be given.

TRAVEL & HEALTH INSURANCE

Students must have adequate travel and health insurance to cover the period of time they will be in Malta. The insurance policy should include coverage for cancellations, loss and theft of baggage and personal belongings, medical or psychological conditions, emergency evacuation, and any other eventuality that may occur. The Centre shall not be held liable for any costs incurred as a result of the student having no or insufficient insurance cover.

We strongly recommend that students purchase adequate insurance cover at the time of booking. The Centre offers guard.me insurance for students on request. This includes coverage for cancellation (subject to policy conditions), as well as local health care and medical assistance.

We highly recommend including this in your booking. Students must report at enrolment stage any psychological or physical illness, allergy, disability, or condition that hinder their ability to successfully complete their study programme; that may affect the health and well-being of any other student, homestay member, or staff member; that may require monitoring, treatment, or emergency assistance of any kind; or that may require special accommodations and/or medication.

VISAS

Responsibility for study visas lies with the student when preparing to travel. Be sure to apply for the necessary travel documents in a timely manner to avoid complications. The Centre will provide all necessary documents for students to apply for their visa once full payment has been received. The Centre must be advised immediately if a visa application is rejected. As visa and immigration regulations are constantly updated and modified, we strongly advise students to check the current rules and regulations with their local embassy. The latest requirements in Malta can also be viewed at [Identity Malta](https://www.identity.mt/). A Visa Administration Fee of €50.00 applies for every visa application or extension. All expenses related to provision of visa processing will be incurred by the student.

LESSONS & LESSON REDUCTION

All lessons are of a duration of 45 minutes each.

Lessons usually start every Monday. However, we understand personal circumstances and offer flexible start days subject to availability. If a group course has only one student in a class on any particular day, lessons in that class will be reduced by 50%. As soon as additional students join the course, normal lesson times will apply.

STUDENT ATTENDANCE & PUNCTUALITY

Students are expected to attend lessons and be on time. Students are not allowed into their classroom if they are more than 15 minutes late. They will only be allowed to join the class following the next break. This is to minimize disruption to other students and the teacher. We do not compensate for lessons missed due to late arrivals.

Students must attend a minimum of 80% of their lessons to qualify for a Certificate of Attendance. Students that are absent from their lessons without prior authorisation or a valid reason will not be awarded a Centre Certificate. Students that are regularly absent from their lessons could be expelled from their course. Students that cannot attend their lessons due to illness must submit a doctor's note or a medical certificate to the Centre by email on the first day of their illness and bring the original on their first day back at school.

All absences of students on a study visa will be immediately reported to the immigration authorities. The study visa could be revoked and lead to the expulsion of the student from their course and accommodation. No refunds will be given if a student's study visa is cancelled due to lack of attendance as required by Maltese law.

HOLIDAY BREAKS

Long stay students are entitled to a Holiday Break whilst studying at the Centre for longer than 8 weeks.

- Students on courses from 8 to 23 weeks can apply for 2 weeks Holiday Break.
- Students on courses of 24 weeks and over can apply for 4 weeks Holiday Break.

Students must notify the Centre at least 2 weeks before they take a Holiday Break and obtain authorisation from the Director of Studies. Students that do not notify the Centre will be marked as absent and will be reported to immigration authorities if they are on a study visa. Students on a study visa must ensure that their visa start and end dates are correct to include any Holiday Breaks. Holiday Breaks cannot be taken at the end of a course.

The Centre will extend the student's tuition course (if requested) free of charge. The Centre will NOT extend the student's accommodation free of charge. Students wishing to extend their accommodation will have to pay the brochure price. The Centre can only extend the accommodation subject to availability.

The Centre does not guarantee that any students returning from their holiday break will have the same class, teacher, or accommodation.
