Sabrina Lourenco de Lima
Brazil, 38 years old

I had an incredible experience at Berlitz | ELA. Studying abroad had always been a dream of mine, and Malta provided me with the best experience I could have ever imagined. The school's staff was always there to support me, making sure I had everything I needed. Their unique teaching methodology allowed me to communicate in English easier and quickly. I chose to stay in the school accommodation, as it was easier for me since I traveled alone to Malta. I had a fantastic time there, too. it's super close to the school and the apartment was excellent. I am grateful for the opportunity to study with Berlitz | ELA.

In the case of late bookings, full payment must be made as soon as the booking is confirmed by the Centre. It is important that students with any medical condition, learning disability, or special needs and/or conditions must advise the Centre on registration providing as much information as possible to ensure maximum safety and comfort.

When a booking is cancelled due to a student visa not being issued by the relevant authorities the following expenses will be retained by the Centre:

- Our Cancellation Fee - €100.00
- Our Visa Administration Fee - €50.00
- Visa Application Fees paid on behalf of the student
- If school is notified less than 8 days prior to arrival, further 2 week charge of the total booking (tuition + accommodation) will apply.

The balance of the amount paid will be refunded upon receipt of the visa rejection letter.

In all cases, no refunds will be issued once the student has commenced the course.

POSTPONEMENTS

In cases where due to no fault of the student a postponement becomes necessary the Centre will assist, subject to availability, to provide alternative dates. In the cases where accommodation and other third-party expenses have been committed the student will have to pay for such costs. The Centre may charge the student reasonable administrative costs for postponements.

CHANGES TO BOOKING

The Centre reserves the right to change any part of a student's booking due to unforeseen circumstances beyond the Centre's control. Changes may include (but are not limited to) moving classrooms, changing class times, changing teachers, changing course type, and accommodation changes. In such cases no refunds will be given.

TRAVEL & HEALTH INSURANCE

Students must have adequate travel and health insurance to cover the period of time they will be in Malta. The insurance policy should include coverage for cancellations, loss and theft of baggage and personal belongings, medical or psychological conditions, emergency evacuation, and any other eventuality that may occur. The Centre shall not be held liable for any costs incurred as a result of the student having no or insufficient insurance cover.

We strongly recommend that students purchase adequate insurance cover at the time of booking. The Centre offers guard.me insurance for students on request. This includes coverage for cancellation (subject to policy conditions), as well as local health care and medical assistance.

We highly recommend including this in your booking. Students must report at enrolment stage any psychological or physical illness, allergy, disability, or condition that hinder their ability to successfully complete their study programme; that may affect the health and well-being of any other student, homestay member, or staff member; that may require monitoring, treatment, or emergency assistance of any kind; or that may require special accommodations and/or medication.

VISAS

Responsibility for study visas lies with the student when preparing to travel. Be sure to apply for the necessary travel documents in a timely manner to avoid complications. The Centre will provide all necessary documents for students to apply for their visa once full payment has been received. The Centre must be advised immediately if a visa application is rejected. As visa and immigration regulations are constantly updated and modified, we strongly advise students to check the current rules and regulations with their local embassy. The latest requirements in Malta can also be viewed at Identity Malta.

A Visa Administration Fee of €50.00 applies for every visa application or extension. All expenses related to provision of visa processing will be incurred by the student.

LESSONS & LESSON REDUCTION

All lessons are of a duration of 45 minutes each. Lessons usually start every Monday. However, we understand personal circumstances and offer flexible start days subject to availability. If a group course has only one student in a class on any particular day, lessons in that class will be reduced by 50%. As soon as additional students join the course, normal lesson times will apply. No refunds are made for any lessons that the student fails to attend for any reason. All courses are scheduled for either in the morning, afternoon or evening. The school reserves the right to change the timetable structure. During peak times, the school may use additional classrooms in other premises.

STUDENT ATTENDANCE & PUNCTUALITY

Students are expected to attend lessons and be on time. Students are not allowed into their classroom if they are more than 15 minutes late. They will only be allowed to join the class following the next break. This is to minimize disruption to other students and the teacher. We do not compensate for lessons missed due to late arrivals.

Students must attend a minimum of 80% of their lessons to qualify for a Certificate of Attendance. Students that are regularly absent from their lessons could be expelled from their course. Students that cannot attend their lessons due to illness must submit a doctor's note or a medical certificate to the Centre on their first day back at school.

All absences of students on a study visa will be immediately reported to the immigration authorities. The study visa could be revoked and lead to the expulsion of the student from their course and accommodation. No refunds will be given if a student's study visa is cancelled due to lack of attendance as required by Maltese law.

HOLIDAY BREAKS

Long stay students are entitled to a Holiday Break whilst studying at the Centre for longer than 8 weeks, subject to completing the first 8 weeks.

- Students on courses from 8 to 23 weeks can apply for 2 weeks Holiday Break.
- Students on courses of 24 weeks and over can apply for 4 weeks Holiday Break.

Students must notify the Centre at least 2 weeks before they take a Holiday Break and obtain authorisation from the Director of Studies. Students that do not notify the Centre will be marked as absent and will be reported to immigration authorities if they are on a study visa. Students on a study visa must ensure that their visa start and end dates are correct to include any Holiday Breaks. Holiday Breaks cannot be taken at the end of a course.
The Centre will extend the student's tuition course (if requested) free of charge. The Centre will NOT extend the student's accommodation free of charge. Students wishing to extend their accommodation will have to pay the brochure price. The Centre can only extend the accommodation subject to availability.
The Centre does not guarantee that any students returning from their holiday break will have the same class, teacher, or accommodation.

AIRPORT TRANSFERS

Students booking return airport transfers must provide arrival and departure flight details (including flight numbers and flight times) at least 7 days prior to their arrival in Malta. The Centre will not be held responsible and no refunds will be given for missed airport transfers if details are not sent in time. The Centre must be advised immediately if there are any changes to flights. Our airport transfer drivers will wait for a maximum of one hour from the time of landing.

ACCOMMODATION

The Centre offers accommodation in shared self-catering apartments (adults only) or at local homestay (adults and minors). The Centre can also provide assistance to students that wish to book hotel accommodation of any star rating.
A €100 cash deposit is required from every student staying in self-catering apartments. This must be paid in cash at the Centre's reception on the first day of school and will be returned on the last day pending any issues related to the apartment.
Arrivals and departures from self-catering apartments are only possible on Saturdays and Sundays. For students that arrive or depart on any other day of the week the Centre will offer the Student the extra nights at alternative accommodation for those days that fall outside the fixed weeks at added cost.
Check-in time at self-catering apartments on arrival day is 14:00 unless otherwise stated. Students that arrive earlier and require immediate access to their room must book their accommodation to include the previous night.
Check-out time from self-catering apartments on departure day is 10:00 unless otherwise stated. The Centre reserves the right to remove personal belongings of students that are due to check out if they fail to do so by 10:00. The Centre will not accept any liability for any items reported missing or damaged.

Self-Catering Shared Apartments include water and electricity costs and are fully furnished with a communal kitchen/living/dining area, television, free Wi-Fi, washing-machine and a weekly cleaning & change of linen service.
COIN-OPERATED AIR CONDITIONERS ARE PROVIDED IN SELF-CATERING APARTMENTS FOR COOLING AND HEATING AND MUST BE PAID FOR BY THE STUDENT.
AIR CONDITIONERS ARE NOT PROVIDED IN STANDARD HOMESTAY ACCOMMODATION. FANS ARE PROVIDED IN SUMMER AND HEATERS IN WINTER.
Students must observe and obey the rules and regulations of shared self-catering apartments and homestay providers.
The Centre reserves the right to ask students to change their accommodation to a similar standard if required due to operational reasons.
No refunds are made if a student wishes to cancel accommodation after arrival.

MALTA GOVERNMENT ECO CONTRIBUTION TAX

Every adult student (18 years+) staying in apartment or host family accommodation must pay an Environmental Contribution Tax of €0.50 per night to a maximum of €5.00 per stay. Students must pay this tax to the Centre on their first day.

UNDER-AGE STUDENTS (MINORS)

Enrolments for unaccompanied students under 18 years of age must be accompanied by a signed Parental Consent Form and a signed copy of the parent's passport.

CENTRE POLICY & RULES – STUDENT CONDUCT & BEHAVIOUR

The Centre is an educational institution and expects its students to maintain decent and reasonable standards of behaviour at school and in the accommodation. All students are bound to abide by the policies and rules of the Centre outlined in the student handbook and website and by the laws governing Malta. LOSS OF PROPERTY

The Centre will not be held responsible for loss or theft of any student's property from the Centre or accommodation or any other location. Student's property is always the sole responsibility of the student.

FORCE MAJEURE

The Centre cannot be held responsible for any failure to deliver its services due to unforeseen circumstances beyond its control brought
