EXAM PREPARATION

English proficiency is measured by a number of standardised examinations, including IELTS, Cambridge, and TOEFL. Most students studying English for work or further education hope to achieve a particular score on one of these exams. While this process can be stressful at times, inlingua Cheltenham students can have confidence that their experienced teachers will help prepare them to achieve the best possible score.

Students preparing for an English proficiency exam are encouraged to book an Intensive English course for an extended period, depending on the amount of improvement required to reach the target score.

The Intensive English course includes morning lessons that focus on grammar and vocabulary and afternoon lessons that focus on refining the core English skills (reading, writing, listening, and speaking). Through these lessons, students develop the skills necessary to perform well in their exams.

Students preparing for an exam should have a serious commitment to their learning. Students who require targeted skills improvement should consider enhancing their studies with additional one-to-one tutoring (see pg 14).

inlingua Cheltenham cannot guarantee that a certain score can be earned after a set period of study; students will improve according to their commitment and focus, based on their original level. inlingua Cheltenham can guarantee that students will be supported by fully qualified, professional teachers with a proven record of helping students reach their exam score goals.

SOCIAL PROGRAMME

Study holidays are about more than just learning in a classroom. Cheltenham is a vibrant town with many experiences to offer all year around.

In the Summer months, inlingua Cheltenham organises weekly trips and activities so that students can take full advantage of their stay in England. Students who wish to participate in these social events are able to do so on a pay-as-you-go basis. Please enquire at the front desk for a full itinerary.

Don't miss out on the Friday BBQ, Saturday trip to Oxford, Wednesday night bowling, or any of the other activities available to inlingua Cheltenham students throughout the year.

ONE-TO-ONE LESSONS

Private lessons are a great option for students hoping to make make quick progress and reach their specific language goals. Students can work with their one-to-one teacher to design lessons that will best help them to prepare for their education, grow in their career and expand their opportunities.

Each one-to-one lesson is planned specifically around the student and their linguistic needs.

Small groups of 5 or less may also choose to do private lessons together with an English teacher.

One-to-one lessons are dependent on teacher availability. For more detailed information and a tentative study schedule, please contact info@inlingua-cheltenham.co.uk.

WHAT TO EXPECT

FIRST DAY AT SCHOOL

All new students begin their course on Monday mornings. Students staying in host family accommodation will receive directions explaining how to get to school from their host family on the first morning. Students without host family accommodation will have received the school's details before their arrival and should make their own way to the school for 08:45.

The address of the school is 9 Rodney Road, Cheltenham, GL50 1HX.

Students will be greeted by the registrars or the reception team and welcomed to the school, given a welcome pack and asked to complete a health registration form. At this time, a copy of their passport will be taken (if it has not already been sent in advance), so students should bring their passport on their first day.

At 9:00 the academic team will begin orientation and assessments.

ORIENTATION

During orientation, students will learn inlingua Cheltenham's policies, including classroom rules and expectations. They will be given a brief tour of the school. During this time, students may ask questions about inlingua Cheltenham, life in Cheltenham and their individual courses.

TESTING

On the first day at inlingua Cheltenham, students are tested to determine their current level of English. The test consists of multiple choice questions, writing prompts and a one-to-one interview. These assessments help the academic team know which level would best help the student progress.

While the placement test results are being reviewed, students are given a short tour of central Cheltenham.

PLACEMENT

Once the proficiency level has been established, students will be placed in their correct class and introduced to their teacher and classmates.

Students are monitored closely by their teachers to ensure that they are always at the correct learning level. Students may be encouraged to change levels if the teacher feels this is appropriate.

Students who request to be moved into a different level will be interviewed by a member of staff, who will approve or deny the request based on the student's abilities in the 4 key skill areas.

LESSON TIMETABLES

After the first day's orientation and testing, each day will follow the same standard timetable. Students with one-to-one lessons will have a different schedule that will be arranged before their arrival.

STUDENT LIFE

MAKING THE MOST OF YOUR TIME IN CHELTENHAM

ACCOMMODATION

inlingua Cheltenham offers host family accommodation to students as a valuable part of their study experience.

A large number of our host families have welcomed students into their homes for many years and are very experienced and sensitive when a new student joins their family. Many students and host families become friends and stay in touch long after the student has finished their course.

Our host family accommodation is organised in-house by our accommodation officers, and all host families are inspected to ensure compliance with the standards set by the British Council.

While students may request certain parameters for their host family, these cannot be guaranteed, as availability is limited and placements are secured on a first-come-first-serve basis.

In all instances, the accommodation team at inlingua Cheltenham works to place students with the most ideal host family that is available at the time. Additional questions about host family accommodation should be sent to accommodation@inlingua-cheltenham.co.uk.

PAYMENT REQUIREMENTS

Applicants will pay a non-returnable Registration Fee of £60 along with the Accommodation Arrangement Fee of £40 (if necessary) once their enrolment has been accepted. Failure to do so will stop the enrolment process.

For students who require a visa, a further deposit of 15% of the total invoice value (in all cases a minimum of £100) should be paid upon receipt of the confirmation of enrolment letter and invoices..

Payment of the 15% will then be credited to your account and a new invoice will be produced for visa purposes. Only after receiving the deposit are we able to issue a Confirmation of Enrolment and your unique visa reference number. This payment will be credited to your account and quoted in the VIsa letter which allows the Visa officers to see that you are a genuine student who has already paid part of your course fees.

The rest of the course fee is payable in full no later than three weeks before the course commences. If a course is booked less than three weeks before the commencement dates, full payment should be made on receipt of the course confirmation and invoice, otherwise this will be subject to an interest charge of 8% per month or part thereof up to the first day of the course and until payment is received.

We reserve the right to cancel or terminate any course that has not been paid for, and students will not be allowed to start their courses until payment has been received.

Please ensure that when you pay the fees you also pay the bank charges for the transfer so that the school receives the full amount. Shortfalls in payment will be requested and interest charged if need be.

Ensure when making your payment that you indicate whom the payment is for (name of student and invoice number) so as to avoid confusion. If a student wishes to pay their accommodation fees in instalments, an administration fee of £25 per instalment paid will apply. Tuition fees should be paid in full before the course starts

FAILURE TO PAY

We reserve the right not to accept a student and/or to terminate without notice a course that has already begun if payment is not made in full in accordance with our payment terms.

Failure to complete a booking via full payment and attendance at classes once a VISA letter has been issued may also be reported to local authorities, border security or the Home Office.

CANCELLATION

A cancellation charge will apply according to the following scale:

- up to 21 days before the course begins: lose deposit plus non- refundable fees
- 21 days to 15 days 33% of the total invoice
- 14 days to 8 days 66% of the total invoice
- 7 days to 3 days 75% of the total invoice
- 2 days or less 100% of the total invoice
- no refunds will be made after the course has started

If a course is cancelled due to an unsuccessful visa application, all fees paid to us (minus our bank charges, Registration, Visa Application, Accommodation Arrangement and Courier fees) will be refunded in full, upon receipt of written confirmation from the Visa Section of the British Embassy that your visa application has been unsuccessful.

COURSE CONSIDERATIONS

GENERAL ENGLISH

If there are fewer than three students on a General or Intensive English course, the number of lessons per day may be reduced according to the following scale:

GE30
2 students – from 6 to 3 lessons

1 student – from 6 to 2 lessons

GE20
2 students – from 4 to 2 lessons

1 student – from 4 to 1 lesson

We reserve the right to offer lessons in the afternoon should we, at our sole discretion, feel that this is in the students' or schools' best interests.

Alternatively, if there are too few students in a class, that class may be combined with a class of a similar level, and the instruction will be adapted appropriately.

BANK HOLIDAYS

Please also note that there are no group course lessons on Bank Holiday Mondays. Students on short

courses (1, 2 or 3 weeks) can be offered extra lessons to compensate for loss of lessons on Bank Holiday Mondays.

Any other school closures will be announced ahead of time, and compensatory classes will be offered where appropriate.

EXTENDING YOUR COURSE

All students can extend their course and homestay subject to visa restrictions. We will add the number of weeks of the original booking to your extension and this may mean you will pay a lower price per week for your extension depending which price bracket you fall in to. Please refer to the price list for details.

TAKING HOLIDAYS

If you have booked a course of 12 weeks or more and wish to take a holiday during your course, this is possible AS LONG AS you request the number of weeks you wish to take for holidays at the time you make your booking, and when at the school you give us four weeks' notice in writing before taking the holiday. We normally allow students to take a maximum of 1 week's holiday for every 12 weeks that they are in the school.

Holidays arranged after the time of booking or that exceed those pre-booked will be treated as absences, and you will lose those weeks of tuition.

Alternatively, you can ask for the free weeks as holiday. Please note no refund or extension will be granted in this situation. If you wish to retain your accommodation, you must pay a retainer of £50 per week to the host family while you are away. If students shorten their course, there is no refund of fees

LONG-TERM BOOKINGS

Students cannot reduce the length of their course by changing programmes. Under Home office visa regulations, we are responsible and duty bound to look after you for the whole duration of your course.

Any students in breach of their visa will be reported to immigration.

ACCOMMODATION FEES

inlingua Cheltenham makes a charge of £40 for arranging accommodation. This charge is also applied if you change host families, unless it is deemed the family is unsuitable for you. Please note that family changes are possible if there is a valid reason. The fee that you pay to us for host family accommodation, irrespective of the Accommodation Arrangement Fee, is what we pay to the host family.

We do, however, have a contract with the host family which stipulates that we must give them four weeks' notice if a student is going to change or leave the family. In exceptional circumstances (for example, the family does not provide what they have promised etc.) we may decide not to give the family 4 weeks' notice.

Examination Fees (for Cambridge examinations, IELTS etc.) are not included in the course price and will be charged separately.

If there are fewer than 5 people enrolled on an GE30 programme specifically wanting to follow a published IELTS or Cambridge examination preparation Skills Session, we reserve the right to cancel the exam skills sessions and offer alternative skills sessions instead. In these rare situations, we will also offer an extra programme of supervised self-study, in order to help the students to prepare for the exams.

ADDITIONAL CONSIDERATIONS

ACTIVITIES AND EXCURSIONS

Activities and excursions are normally offered as optional extras. These activities are organised for students and offered either free of charge or at cost price (when a cost is incurred by inlingua). Students who prepay activities on the summer programme will normally be guaranteed a place on the activities and excursions they have paid for; however they must still sign up for all activities and excursions, so that appropriate staffing and transport can be arranged.

PHOTOGRAPHY, FILM, SOUND RECORDINGS AND WRITTEN WORK

During our courses, we sometimes take photographs, film footage and sound recordings, some of which may be incorporated in to but not limited to future publicity materials, social media sites, tests & educational material.

If you do **not** wish to participate in any of these, please inform the school.

INSURANCE

Students are responsible for providing their own insurance during the duration of their course. At minimum we recommend a comprehensive travel and health insurance.

Students may also find providers for student-specific insurances.
