# Founded in Oxford

---

## A studious learning ambience since 1973

The success of a course is dependent on the community of purpose that stems from the ambitions and drive of every single participant. This strong conviction has always led OISE to appeal to the more motivated students who will feed off each other and establish a serious study environment. All the participants are coached to target a level of eloquence in English that exceeds their own expectations.

OISE's pedagogy gives the students a fresh look at their established language learning beliefs. Rather than persevering with the acquisition of the core knowledge of the language, the elaborate suite of modules on an OISE course provides the students with a strategy to manipulate the language, whatever the live communicative situation (presentation, negotiation or social interaction) be it in a business or an academic context.

## *Educational Engineering*

Precision - fine tuning - performance - calibration - confidence - achievement

OISE courses are designed without compromise. They are structured with innovation and rigour. All aspects of performance in the language are evaluated with the aim of immersing the participants in different types of learning activities. These yield strong results by building the learners' confidence in expressing themselves fluently in English with elegance and accuracy. The overriding objective is to give the learner sufficient confidence never to be at a disadvantage among other English speakers.

# for high achievers

---

Constant opportunities to perform in English. Constant encouragement to practise the language within a study community of highly motivated language learners. It is in such a studious environment that participants are challenged and driven to exceed their own expectations and personal goals. Because of their focus on serious, concentrated study programmes, OISE schools are the preferred choice of the most ambitious and committed students.

The expertise, enthusiasm and sympathetic approach of the teaching team all combine to sustain the students' effort and concentration making each lesson a productive and stimulating learning experience. Coming from diverse study and career backgrounds, they are able to offer instruction in a wide range of specialised areas of the language.

Teachers are chosen for their personal qualities and their ability both to engage the participants and to facilitate the language learning process. They are trained to focus on the needs and weaknesses of their learner and to plan the structure and content of the lessons accordingly. The students therefore always receive tuition that is relevant and based on what they actually need to learn.

# Tutorial™ Programmes: needs driven

Oxford - Cambridge - London - Boston

When OISE was founded in Oxford 47 years ago, it delivered all of its courses by Tutorial. The Tutorial™ lesson, a teaching tradition of Oxford University, is one of the most effective methods of education. The entire course is conducted by means of individual tuition thus allowing the lessons to be adapted to the precise level and goals of each participant.

The cognitive perspective of students can vary considerably; this explains why the Tutorial is such a powerful learning environment: in the lessons, the teacher focuses on the one student, and can therefore tailor the pedagogic approach to the pupil's natural learning mindset.

The Tutorial lesson draws its effectiveness from the benefit of the tutor engagement with each individual pupil's learning, and the consistent level of concentration on the part of the student.

### The personal language programme

A language audit carried out at the beginning of each course determines the precise level, needs and objectives of the participant. This forms the basis of the student's personal learning programme.

### A balanced timetable

Each participant is assigned a team of tutors who each specialise in a different aspect of the curriculum. The learner is exposed to a variety of pedagogic approaches as well as different personalities, voices, intonation and accents: a situation that reflects the diversity of expression in the wider world.

### Specialisations

Tutorial tuition allows for the course to concentrate on a wide range of areas of expertise. The focus selected by students falls within 3 main categories:

- professional: business people often aim to familiarise themselves with specific work related terminology (e.g banking, pharmaceutical, legal, finance) or with management communication skills such as presenting, negotiating, public speaking, leading.
- academic: study skills is the most common request from university students. However the course can also prepare students for the language component of a specific examination in their own country, whatever the exam.
- achievement of an official certificate: for those wishing to take an exam, the lessons can be geared towards facing the exam with confidence. Typically IELTS, Cambridge exams, TOEFL, TOEIC, etc.

### The Integrated Tutorial™

The Integrated Tutorial™ combines the intensity of one-to-one sessions with interactive workshops and team project work with the purpose of exposing the student to authentic social and business exchanges in the language.

Each school therefore has a dedicated team whose role is to ensure that students have a comfortable, welcoming place to stay and a varied programme of social events to enjoy after a day’s study.

## Accommodation

### Homestay

To maximise the opportunities for speaking English, OISE has a policy of never allowing two students of the same mother tongue to stay in any one homestay.

All students have a single room. Each host family is selected and monitored according to strict criteria laid down by OISE. Houses must be comfortable, the hosts welcoming and, above all, genuinely interested in receiving students and helping them to develop fluency in the English language.

### College

This option is available in July and August and is ideal for those requiring more independence and who wish to experience the unique atmosphere of college life. Some colleges are historic buildings set in beautiful grounds which offer students a peaceful environment conducive to study and relaxation. Some are modern premises offering city centre locations and practical convenience. To stay in college please add the supplements listed below to the course price.

School	Supplement per week in college	
Oxford	half board (July and August)	£640
Cambridge	half board (July and August)	£595

OISE recognises that some students would rather not have to adapt to living in a host family and prefer to stay in a hotel. Over the years each OISE school has built up a good relationship with a range of hotels of various categories and can make a reservation on the student's behalf. To stay in a hotel or to stay without OISE accommodation, please deduct £336 (£426 in London) /\$545 per week from the course price and contact OISE for the list of recommended hotels. The hotel reservation is made by OISE but the bill is settled directly by the student to the hotel.

Train and bus prices are shown below, but tickets cannot be reserved; payment is made by the student before boarding the bus or train. Alternatively OISE can arrange a taxi meeting service. ## 5. Our liability to you

5.1 Where We provide any assistance to you in making travel and accommodation requirements, We do so only as an intermediary between you, travel organisations and host families. Unless and to the extent caused by Our negligence,

We will not be liable to you for any losses arising from any delays or failures relating to travel and accommodation arrangements. We will, however, use our reasonable endeavours to defend your interests and mediate on your behalf in the event of any breach of contract on the part of a travel organisation or host family.

5.2 If We fail to comply with these Terms, We are responsible for loss or damage you suffer that is a foreseeable result of Our breach of the Terms or Our negligence, but We are not responsible for any loss or damage that is not foreseeable.

Loss or damage is foreseeable if it is an obvious consequence of Our breach or if it was anticipated by you and Us at the time we entered into this contract.

5.3 We do not exclude or limit in any way Our liability for death or personal injury caused by Our negligence or the negligence of Our employees, agents or subcontractors, or for any liability which cannot be excluded or limited by law.

## 6. Insurance, accommodation, students visas and study permits

6.1 You are responsible for arranging your own travel and medical insurance (including the costs of repatriation in the case of illness or accident) and student visitor visa.

6.2 If you are denied a student visitor visa and provide Us with a copy of the rejection letter on or before the first day of the Course, We will refund all Fees paid.

6.3 Accommodation will begin on the Sunday before the Course starts and will end on the Saturday after the Course ends. If you have asked Us to arrange host family accommodation, you will receive details of your host family address at least five days before the Course starting date (unless you have made a late Booking) to enable you to inform the host family of your approximate time of arrival.

## 7. Your rights to cancel and applicable refund

7.1 You have the following rights to cancel your Booking:

(a) you have a legal right to cancel your Booking within 14 calendar days of the date of your Booking, in which event We will, subject to clause 7.3, refund all of the Fees including the Deposit; or

(b) you may cancel your Booking at any time after the period of 14 calendar days referred to in clause 7.1(a) but before the Course has begun, in which event We will retain the Deposit and refund the balance of any Fees paid by you.

7.2 To exercise your rights to cancel under clause 7.1, you must inform Us of your decision by making a clear statement to this effect by completing the cancellation form on Our website or by contacting Us (see contact details below).

7.3 The law requires us to obtain your express consent to Us providing Our services where the starting date of the Course falls during the 14 day cancellation period referred to in clause 7.1(a). By making your Booking, you will be treated as giving this consent. You acknowledge that if you subsequently cancel, We will be entitled to deduct an amount from the Fees paid which is in proportion to the services that We have performed up to the date of your cancellation.

7.4 Once a Course has begun, you may cancel your Booking with immediate effect by giving Us written notice if:

(a) We break this contract in any material way and We do not correct or fix the situation within 30 days of you asking Us to in writing;

(b) We go into liquidation or a receiver or an administrator is appointed over Our assets; or

(c) We are affected by an Event Outside Our Control.

## 8. Our rights to cancel and applicable refund

8.1 We will not be liable or responsible for any failure to perform, or delay in performance of, any of Our obligations under these Terms that is caused by an Event Outside Our Control.

8.2 An Event Outside Our Control means any act or event beyond Our reasonable control including but not limited to strikes or other industrial action, civil commotion, terrorist attack or threat of terrorist attack, epidemic, adverse weather conditions or other natural disasters.

8.3 If an Event Outside Our Control takes place that affects the performance of Our obligations under these Terms:

(a) We will contact you as soon as reasonably possible to notify you; and

(b) We will, where possible, propose alternative arrangements (which may include alternative dates or venues) for the Course.

8.4 You may cancel your Booking if any alternative arrangements proposed by Us are unsuitable for any reason, in which case We will refund all Fees paid in advance for the Course.

8.5 We reserve the right to refuse your attendance on the course if you are suffering from any illness, medical condition or mental or physical disability which was not disclosed at the time of Booking.

## 9. How we may use your personal information

9.1 We will use the personal information (including sensitive information about your health, religious beliefs and practices or dietary requirements) that you provide to Us:

(a) to administer and provide Our Courses to you;

(b) to process payment in relation to any Booking;

(c) for internal training and monitoring purposes; and

(d) to inform you about similar Courses and other services that We provide, but you may stop receiving these at any time by contacting Us.

9.2 We will not give your personal data to any third party other than:

(a) as strictly necessary for Us to perform Our contract with you;

(b) to host families; or

(c) to the schools and offices within our group companies (which means our subsidiaries, our ultimate holding company and its subsidiaries, as defined in section 1159 of the UK Companies Act 2006) including those outside the European Union.

9.3 You have the right to access information held about you. Your right of access can be exercised in accordance with the Data Protection Act 1998. Any access request may be subject to a fee of £10 to meet Our costs in providing you with details of the information We hold about you.

9.4 We may wish to use photographs and audio visual media containing your image or likeness in our marketing and promotional materials and you hereby consent that We may do so in all and any media for such purposes. If you would prefer that We do not, you should notify Us by completing the relevant section of the registration form. We will also confirm this with you where we have a reasonable opportunity to do so. Copyright in any photographs or audio visual media continuing your image or likeness shall belong to Us and shall not entitle you to receive any royalties or other payments.

## 10. Specific terms for Young Learners (7-17 years)

10.1 We reserve the right to issue disruptive students with a warning letter and, if there is no improvement in behaviour, to send them home at their parents' or guardians' expense.

10.2 We further reserve the right to send home without a warning letter any student committing a serious offence, especially offences involving the police, including theft, smoking in any school building and the possession, purchase or consumption of alcohol or illegal drugs.

10.3 For children who will stay with host families, parents may indicate on the registration form whether they authorise their child to stay out in the evenings without supervision. Generally, this means that children aged 13 and under are not allowed out unsupervised after their evening meal; those aged 14 and above must return by 22:00. However, students must also respect the house rules of the host family, where these times may inconvenience the family. Children on residential courses have evening activities and are not allowed to stay out unsupervised. Please note We cannot be held responsible for any incident whilst the student is out unsupervised.

10.4 Students aged 18 and over must register for an adult school. We reserve the right to transfer an 18 year old from a young learners' Course.

## 11. Other important terms

11.1 These Terms set out the entire agreement between you and Us relating to your Booking.

11.2 We may transfer Our rights and obligations under these Terms to another organisation, and We will always notify you in writing if this happens, but this will not affect your rights or Our obligations under these Terms.

11.3 This contract is between you and Us. No other person shall have any rights to enforce any of its terms.

11.4 Each of the clauses in these Terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

11.5 If We fail to insist that you perform any of your obligations under these Terms, or if We do not enforce Our rights against you, or if We delay in doing so, that will not mean that We have waived Our rights against you and will not mean that you do not have to comply with those obligations. If We do waive a default by you, We will only do so in writing, and that will not mean that We will automatically waive any later default by you.

11.6 These Terms are governed by English law. You and We both agree to submit to the non-exclusive jurisdiction of the English courts.
