Broadstairs and the Local Area

A great place to stay

Hilderstone College is located in the centre of Broadstairs, a beautiful seaside town with wonderful, golden, sandy beaches, on the south-east coast of England. It is attractive and friendly with excellent residential areas within walking distance. There is a wide choice of small shops, restaurants, coffee bars and pubs in the town centre and on the seafront. Not far from the College is a modern shopping centre, and there are cinemas, swimming pools, sports facilities, art galleries, theatres and much more in the local area.

The town dates back over 700 years and has many historical connections, including to Queen Victoria, Charles Dickens and smugglers. It continues to be a popular destination for people coming on breaks and holidays, as well as to enjoy the many annual festivals and events which fill its busy calendar.

Easy to reach

Travelling to Broadstairs is easy – just one hour and twenty minutes from London St. Pancras by high-speed train. The town is also close to the port of Dover, as well as the international stations of Ashford and Ebbsfleet. Travelling to the College from a London airport – Gatwick, Heathrow, Stansted, or City – is simple: either take a train straight into London and catch the direct train to Broadstairs, or (from Heathrow and Gatwick) use the local airport shuttle coach service (availability subject to Covid-19 restrictions). If you prefer, we can arrange for a taxi to collect you from the airport and take you straight to your accommodation.

Outreach Teachers

For many schools, taking a class of students to the UK may be too difficult to organise within a busy curriculum.

One solution would be for us to come to you.

Examples of what we can offer

- We can come to your schools and give your students a period of intensive conversation and fluency practice - teaching a range of classes for a week or two.
- We can help create a period of "English only" in the classroom through project work, extended role plays, creating presentations or performances.
- We can provide lessons on English culture and take students on a "virtual" tour of Kent and the UK.
- We can do pronunciation workshops.
- We can do workshops with your teachers on CLIL or Creative Teaching methodology. You could even invite the teachers from neighbouring schools to attend.
- We can provide preparation lessons for a future trip to Broadstairs or we can follow up on your recent trip.
- We can provide intensive booster courses to prepare for exams.

Contact us and let's put together a tailor-made project to fit your school's needs.

Minimum length of stay 3 days, maximum 2 weeks.

Online Social Programme

In order to make our online programmes as similar as possible to a course here in Broadstairs, we have also put in place an online social programme. This gives you the chance to meet other participants and communicate in a more relaxed manner.

It is free and voluntary for participants of our online courses. Go to our website for a sample programme and for further information.

Usually the minimum number is set at 4 students for each online social event to go ahead.

Social Programme

Evening and/or after-school activities

We organise a range of exciting and interesting evening and after-school activities, some onsite and some online, including quizzes, live music, film evenings, karaoke, folk and salsa dancing, a summer international show and themed evening events. Hilderstone is also home to a theatre company who frequently put on shows at the weekend.

Talks and presentations

Your course is also an opportunity to discover more about the British way of life and culture. We offer weekly evening talks on an aspect of British life, giving you the chance to get a greater understanding of this country and its people, as well as practising your listening skills.

Sports

Weekly excursions

With half-day excursions every Friday afternoon and full-day excursions every Saturday, you will have the opportunity to visit some of the most famous places in England. Before an excursion we give you information about the destination, and members of staff are always present to give help and advice.

We require a minimum of 4 students for each activity to go ahead. Some activities may also have a maximum number of students, which will be stated in the current social programme.

If there are restrictions in place, our traditional social programme may have to be adjusted.
