BELS highly recommends that all students (18+) purchase a travel insurance policy however students under 18 **must** travel with a valid insurance policy. They can acquire their own insurance or purchase one through BELS. The insurance needs to cover claims related to travel, health, injury, loss or damage of personal belongings & cancellations.

Course Material

Our courses are based on course material that cover the main skills needed for the students to improve. As learners, improve during their stay with us, they are given the opportunity to take a change of level test. If they pass the test they will need to purchase more material as when they are promoted to a higher level group.

On their first day, adult students will be given a course book based on their level, as achieved in the test. Students are informed not to write in the book until they are sure that it is the right level for them. If they write in the book and then request to change level, a second book will need to be purchased.

One may note that students will be receiving more teacher contact time, leading to better quality tuition at no extra cost.

Pre-Arrival Test

If the student does not complete the test three weeks prior to the start date, they run the risk of being placed in a class of a different level or group size, based on spacing and level availability.

Specific Juniors Rules

Parents and students have to sign and accept the BELS Juniors rules. These include but are not limited to the following points: Students attending our Camp Programme must respect curfew times. Illegal substances, cigarettes and alcohol are not permitted during the programme. Students who fail to comply with the programme rules will be sent home at their parents'/ guardians' expense. Students who arrive in Malta without the consent form signed by their parent/ guardian will not be allowed to participate in the BELS Juniors programme. When signing the consent form the parent/guardian also confirms that if the child does not comply with the programme rules, or with any other rules that may be set by the school from time to time, s/he will be expelled from the programme and be sent home at the guardian's expense. This means that the child will not be allowed to mix with our students, and hence change of accommodation will be requested until repatriation. BELS' responsibility towards the child will end twelve hours after an incident has been reported. No refunds will be given in the case of a student's expulsion.
