GENERAL ENGLISH

Beginner to High-Intermediate students start with General English before moving on to more advanced courses.

Through a communicative, integrated-skills approach, students develop all 4 language skills (speaking, listening, reading and writing).

Students write a practice Cambridge test every second week to measure their progress. This allows teachers and students to see their success and track their improvement.

Each English level is 4 weeks.

Students can register for a minimum of 2 weeks. Students may take as much time as required to complete the program.

CAMBRIDGE ENGLISH

General English for advanced students (FCE, CAE & CPE)

The Cambridge English Program is the most effective way to develop English fluency and improve communication skills. This program prepares students for internationally recognized exams.

Students write a practice Cambridge test (FCE, CAE and CPE) every second week to measure their progress.

By tracking their success, students will know when they are ready to take the official Cambridge examination.

Each English level is 4 weeks.

Students can register for a minimum of 2 weeks. Students may take as much time as required to complete the program.
